

Mobility grants for internships abroad

Université Claude Bernard Lyon 1

The scholarship **supports travel** for an internship: €750 at less than 4000 km and €1500 at 4000 km and more. The distance is calculated from Villeurbanne with <https://erasmus-plus.ec.europa.eu/resources-and-tools/distance-calculator>.

Combinable with other scholarships and **paid before or after departure**, the payment delay is 2 to 4 months after acknowledgment receipt of the **complete** application by the UFR Biosciences. The max amount is €1500 / student / diploma to cover one or two internship.

Complete applications will be **processed on October 23, 2023, January 22, 2024 and March 18, 2024**.

CONDITIONS

✓ Student of the UFR Biosciences

✓ Internship carried abroad in M2, M1 or L3

OF ELIGIBILITY

✓ Crediting internship (ECTS) for the current or next academic year

✓ Complete application (items 1 to 8) received by UFR Biosciences before or during the internship (not afterwards).
